DUSHYANT PATEL

2007 Diploma in Painting, CN College of Fine Arts, Ahmedabad, Gujarat, India

2009 Post-Diploma in Printmaking, Maharaja Sayaji Rao University, Baroda, Gujarat, India

Dushyant's softly rendered artworks take on popular themes of the day and are presented with a touch of humour. Such a combination makes his paintings and prints more than just works of art; they are also a form of visual social commentary.

He has been a part of several exhibitions in Mumbai, New Delhi, Bangalore, Ahmedabad and Baroda, and has been awarded the Gujarat State Lalit Kala Akademi in 2002 and 2009 for the Student Category and Artist Category respectively. His printmaking practice spans several mediums. He received the National State Scholarship in 2009 and the Young Research Fellowship in 2016. Dushyant has established his own Graphic Studio named 'Studio Vichitra' in Baroda and works alongside many printmakers to produce prints for portfolios and exhibitions.

Dushyant lives in Baroda, Gujarat State, India and also works as a Graphic Art Technical Expert in the Department of Graphic Arts, Faculty of Fine Arts, M.S. University, Baroda.
